Letter from G.W.Wells Esq., M.A., I.C.S., Collector of South Kanara, R.C.C.No.189-27-A6 dated the 14th February 19

Assignment -land - Mangalore taluk -Jeppinamogar village S.No.6 -Depressed classes - Waiver of site value - Recommen

valuable lands to the Depressed Classes cannot be made. The assignment of 11.34 acres to 81 members of the Depressed Classes was made free of market value before the receipt of G.O.No 862 Press, dated 11th June 1925. The District Labour Officer states that the members of the Depressed Classes are too poor to pay even a nominal site valu and recommends the assignment of the remaining portion of the land free of site value to the members of the Depressed Classes I therefore recommend that sanction of Government may be obtained for waiving the market value on the land.

REFERENCE

Submitted to Government.

2. The Board considers that the plots in question are no longer really valuable as they are situated in a colony of the depressed classes and are not likely to fetch any price in the open market since they could only be taken up by members of the depressed classes who could not pay much for them even in auction.

In the circumstances, the Board supports the Collector's recommendation to assign the plots in question free to the applicants.
